Rich in Protein

Each flavor of Revii Energy Shake is formulated with the highest-quality, lactose free* Whey Protein.

Healthy Sources of Calories to Help Support Energy

The Energy Shakes are formulated with healthy sources of calories, such as proteins, fats, and complex carbohydrates, that help support energy in the body. Each formula contains healthy fats and satisfies your hunger, without adding unnecessary calories.

PSP (Polysaccharidepeptides)**

A natural ingredient derived from rice that benefits overall digestion and immune functions. The Energy Shakes contain a proprietary mixture of three rice varieties that was chosen as the most nutritious blend of all varieties available. Rice is the only staple grain consumed worldwide that is not a common allergen.

High in Fiber

Fiber is important for proper digestive tract function and helps keep your intestinal tract clean and moving properly.

*Approximately 0.3% of lactose is still present in the WPI/WPC.

**Naturally occurring PSP (Polysaccharidepeptides), a natural ingredient derived from rice.

Chocolate is available in 25.75 oz jar
Vanilla is available in 18.77 oz jar

SUGGESTED USE: Add two (2) rounded scoops to 10 fl oz of cold water for desired taste (or 8 fl oz of fat free milk). Add ice cubes and shake vigorously or mix in a blender. For variety, add fruits!

Blending Tip: If using a blender to add fruit or ice to your Energy Shake, blend the fruit and ice first to the consistency desired. Then add the Energy Shake powder and blend for a few seconds.
