

The Step by Step Plan

“Moving to a Better Number”

Step #1

Receive a presentation. What is your number? Quantify and/or take the Performance Quiz.

Step #2

Decide you want a better number and commit to taking Revii products for yourself.

Step #3

Order your Revii products and take them daily.

Step #4

Track your numbers along the way and celebrate your results.

Step #5

Decide that you will continue on the Revii products.

Step #6

Decide that you want your Revii products free with a paycheck.

Step #7

Set half hour blocks of time to work your business.

Step #8

Practice the 8 Basics during your half hour blocks of time till you score 9 or 10 on each basic.

Step #9

Invite people to meet with you to look at Revii during your half hour blocks of time.

Step #10

Present Revii during your half hour blocks of time.

Step #11

Place orders during your half hour blocks of time.

Step #12

Provide customer care during your half hour blocks of time.

Step #13

Practice with those that want free product and a paycheck during your half hour blocks of time.

Step #14

Stay consistent with your products and your half hour blocks of time.
